

Soiree Suisse & Fracht Group

The **Fracht Group** is pleased to have celebrated the impact of Swiss-U.S. relations in collaboration with the Embassy of Switzerland. The **Fracht Group** participated as a sponsor for the **Soiree Suisse** event in Washington DC with over 1,000 people from all industries and Swiss companies.

As a Swiss-founded company, commemorating the influence of Swiss-U.S. associations is essential to us here at **Fracht**, it was an honor to have participated in the event!
