ZERO HUNGER

Giving back to our community

On World Hunger Day, our Fracht Canada team demonstrated their dedication to combating hunger by giving back to their local community. Under the leadership of Fracht Forward's Canadian representative, Ann Seno, the team selected the North Bay Food Bank to receive a \$1,000 donation. Inspired by the increased demand for the food bank's services, Fracht Canada's Doug Thajer and his fiancée Kim matched this donation with an additional \$1,000, doubling the support for their local community.

While Fracht Group acknowledges the global challenge of hunger, Fracht Canada exemplifies how focusing on local needs can create a profound impact. Through these efforts, Fracht Canada shows that meaningful change begins at home.
